Accordingly, on September 17, 2021, the Chief Special Master issued a Ruling on Entitlement, finding that petitioner was entitled to compensation under the Act.

II. Items of Compensation and Form of the Award

Based upon the evidence of record, respondent proffers that petitioner should be awarded \$55,190.21. The award is comprised of the following: \$55,000.00 for pain and suffering and \$190.21 for medical expenses paid by Medicaid.¹ This amount represents

Petitioner agrees.²

III. Form of the Award

Respondent recommends that the compensation provided to petitioner be made through two lump sum payments as described below:
